E. Outreach Activities:

EEO Public File Report

| Date | Other Outreach Activity | Description of Activity |
|------------|--------------------------------|--|
| 01/01/2010 | Company Mentoring Program | The KIKU mentoring program pairs individuals with more experienced people in the company in order to obtain good examples and advice as they advance. The KIKU mentor and mentee will complete the "KIKU-TV Mentoring Agreement Form" to formalize the relationship. This satisfies two (2) of the outreach initiatives: 8. Establish a training program designed to enable station personnel to acquire skills that could qualify them for higher level positions. 9. Establish a mentoring program for the same purposes as no.8, above. |
| 01/01/2010 | HAB Annual Scholarship Program | Each year, HAB grants educational scholarships to high school and college students who are interested in pursuing a career in television. KIKU participates by broadcasting public service announcements soliciting applicants for the scholarship program. |
| 01/01/2010 | Outreach by Job Bank | Broadcast Compliance Services (BCS) lists KIKU job openings on its web site and sends announcements to over 30 different groups and schools etc whose membership includes substantial participation of women and minorities. |
